GUINJANE LODGE DIRECTIONS:

Guinjane Lodge is approximately 550km north of Maputo and 30km south of Inhambane on the coast. The road leading to the lodge is a dirt road and only accessible with a 2x4 with a difflock or 4x4 vehicles & well deflated tyres.

From Pretoria/Johannesburg take the N4 towards Witbank/Nelspruit. Pass Nelspruit and head towards the Komatipoort border on the N4. Once through the border, follow the road to Maputo and be on the lookout for the signs just before Maputo directing towards Inhambane and Xai-Xai, take this road (EN1). At the town Lindela the road splits, take the right towards Inhambane. Shortly before Inhambane, you will notice signs for Guinjane, take this turnoff (dirt road) to the right and drive approximately 24km on this gravel road towards Guinjane Lodge.

At the fuel station, branch to the left and follow the road. (Deflate your tyres at this point.) You will pass a couple of resorts and will then reach Guinjane Lodge on your left, about 4 km from the fuelling station.
